GEOFFREY A. SMITH, M.D., F.A.C.S.
Diplomate American Board of Otolaryngology Surgery
American Board of Cosmetic Plastic Surgery

DEPOSITION FEE \$910

TRIAL FEE \$3,000.00 (half day)
\$5,500.00 (full day)

SPECIALITY Head/Neck Surgery – Ear, Nose, Throat
Plastic Surgery – Face
QME and Forensic Consultant – Otolaryngology

ACADEMIC APPOINTMENTS A.H.A.C. – International Continuing Medical Education Instructor, 1999
Clinical Teaching/Trauma, Mercy Hospital, 1977-1979
Visiting Professor – Head and Neck Surgery, UCLA
Associate Clinical Professor – Surgery, UCSD 1977-1992

LICENSURE G24829, California
Qualified Medical Examiner, California

BNDD AS5696616, retired 2010

CERTIFICATION Diplomate, American Board of Medical Examiners
Diplomate, American Board of Otolaryngology
American Board of Cosmetic Plastic Surgery
Fellow, American Academy of Ophthalmology & Otolaryngology
Honorary Fellow, Skin Cancer Foundation
Fellow, American Academy of Facial Plastic and Reconstructive Surgeons
Fellow, American College of Surgeons

EDUCATION

Chief Resident, UCLA Medical Center, 1976-1977
Division of Head and Neck Surgery
(Otolaryngology), Chairman, Paul E. Ward, M.D.

Resident, UCLA Medical Center, 1974-1976
Division of Head and Neck Surgery
(Otolaryngology), Chairman, Paul E. Ward, M.D.

Resident, UCLA Medical Center, 1972-1974
Division of Head and Neck Surgery, Chairman,
William Longmire, Jr., M.D.

Research and Clerkships, Harvard Medical School
Boston, Massachusetts, 1971-1972

University of California Medical School
Davis, California, M.D. - 1972

Special Studies Research Program with
Professor M.J. Pickett, UCLA, 1967-1968

University of California, Los Angeles, California, B.A.
1968, Bacteriology

ACADEMIC AWARDS & ACHIEVEMENTS

Guest of Honor at 41st Congress of the
Japan Society of Aesthetic Surgery, 1987

Co-Editor of the "Consult" Series in
Resident and Staff Physician, 1975-1977

National Vice-President, Student American Medical Association
and Member of the Board of Directors, 1971-1972

Student Council President, UCD, 1969-1970

Role of Medicine in Society Member – CMA, 1970-1972

Honors Bacteriology, Research, 1966

Delta Sigma Phi Scholarship Award, 1965

JESSI-Science and Engineering Award, 1962

National, Regional and Local Science Fair Awards, 1960-1964

National Forensic League Tournament Awards with Degree of Distinction, 1964

Industry – Education Scholar, 1964

Lion's Club Speaking/Writing Competition Awards, 1963-1964

National Poetry Anthology, 1963

Plastic Surgery Committee

Member, 44th Congressional District, Congressional Advisory
Committee, 1983

California Society of Specialty Plastic Surgery

United States of America Life Saving Association for Baja,
California, Board of Directors

A.H.A.C. – Americans Helping Asian Children, 1999-

LABORATORY RESEARCH

ACIS Computer Image System Development, 1986-1992

UCLA Postdoctoral, 1972-1977

- Relation of bile magnesium flux to liver pathology
- Nasal cytologic changes due to environmental pollutants
- Histopathology of the temporal bone
- Health care delivery system analysis -
One month on site in Micronesia

UCLA Undergraduate, 1966-1967

- Honors Bacteriology: Means by which resistance to and dependence upon selected antibiotics is developed by Bacillus Subtilis
- Bacteriologic Special Studies: Developing an animal model for cholera vaccine study (with Dr. M. J. Pickett)

Pre-College, 1960–1964

- Skin transplantation following thymodectomy of adult and fetal animals
- Etiology, effect and treatment of the disease “Red Leg” in Rana Pipiens
- Irradiation and environmental stress experimentation on mutation rates of Drosophila Melanogaster

MOTION PICTURES

Laryngeal Lupus Erythematosus (American Academy of Ophthalmology and Otolaryngology and UCLA Teaching Series) with Paul H. Ward, M.D. and George Berci, M.D.

Microscopic Ear Surgery, Mercy Hospital and UCSD Teaching Cassettes

Computer Imaging, San Diego, 1987-1990

ABSTRACTS

Specialty meeting and scientific paper summaries for the International Otorhinolaryngologic Reporter

Editorial Contributor, Journal of Head and Neck Surgery, Alan Naham, Editor

PHOTOGRAPHIC CREDITS

Surgical Rounds Patient Instructional Chart – Tonsils and Adenoids (Romaine Pierson Publishers, Inc.) Resident and Staff Physician

Chinese Traditional Medicine. The San Diego Physician, April, 1985

Traditional Medicine of Thailand. The San Diego Physician, April, 1985

MEDICAL DIRECTORSHIP

Atom Media – Computer Generated Image System Development and Applications – Tom Davenport, President

Mega Mata – Computer Software – Michael Sklanowsky, President

Quantum (CO₂) Detection – Medical Advisory
